“Convincing!”

Camargo is convincing at international level with Luciana Diniz. His dam Fit for Fun won the Global Champions Tour in 2015 under Luciana Diniz and in 2017 was 2nd in the Grand Prix in Aachen and Calgary. His sire Canturo took part in the Olympic Games in Athens in 2004, under Bernard Alves, and that year also won the Grand Prix in Aachen.

Camargo's progeny have a scopey canter, suppleness, correctness, a super temperament and endless ability!
