*For Romance out of Zveva Lonka Grand Prix dam*

### **For Romance I x Zveva Lonka**

Romance Time van 't Studutch is part of the noteworthy offspring by For Romance I. The German top progenitor is a former Oldenburg inspection Siegerhengst as well as Grand Prix qualified. Dam Zveva Lonka measures up to this level. The elite sport prestatie mare is also the dam of Caron RT, who was successful in Grand Prix with Agaath van der Lei. She also produced Jillz Lonka. She scored 86.5 points in her IBOP and is already active at Advanced medium/3<sup>rd</sup> level with Febe van Zwambagt. Zveva Lonka herself is advanced medium/4<sup>th</sup> level qualified, as is her dam Nilonka. This versatile stem has also produced a number of noteworthy jumping horses, such as KWPN-approved Sibon W and Chela LS (1.65m, Ashlee Bond).

Dam line Zveva Lonka (s. Goodtimes, 2004)

-Zveva Lonka performed at Advanced medium/4<sup>th</sup> level herself and produced Caron RT (Grand Prix, Agaath van
