Chacco Blue from the half sister of Explosion W

Chacco Blue x Zarina III

You can't find them closer related to Explosion W! This embryo not only has Chacco Blue as his sire, but also Explosion's half-sister Zarina III (s. Heartbreaker) as a dam. Zarina already produced the stallion Liamant W VDL, number three of the KWPN Stallion Show 2019 and approved at Studbook Zangersheide. Half-brother Explosion W had an unprecedentedly successful year with Ben Maher: individual silver and team bronze at the European Championships in Rotterdam, 1st in the GCT Super Grand Prix of Prague, in the GCT Grand Prix of London, Rome and New York and 3rd in the Grand Prix of Aachen. Explosion's dam Untouchable jumped at the highest level herself.

Dam line Zarina III (s. Heartbreaker, 2004)

- Dam Untouchable (s. Baloubet du Rouet), 1.60m level with Leon Thijssen. Next to Explosion W she is also the dam of Boncetto W (1.45m with Ozgur Ozkan) and granddam of Evenzo (1.60m with Gianni Govoni).
- Granddam Barina (s. Sultan) is granddam of Al Capone (1.60m with Patrick Lam) and of Zubliem (1.50m level). Beside that Barina produced successful dressage horses up to Grand Prix level.
- Out of this dam line also descends Towerlands Fire Fox (1.60m with Malcolm Pyrah).
